

Welcome to Adventure Club!

Adventure Club is the School Age Child Care Program of Robbinsdale Area Schools. Adventure Club is conveniently located in most elementary schools for students in Kindergarten through fifth grade before school, beginning at 6:30 am and after school, until 6:00 pm.

Adventure Club is staffed by trained professionals who have a combination of education and experience especially suited to working with school aged children. With curriculum designed to enhance learning, students are encouraged to make choices, practice decision making skills and build positive peer relationships.

Activities

Our program offers extracurricular activities which are especially designed to promote physical activity, build positive social relationships, and foster teamwork. Daily activities include gym games, science experiments, cooking projects, social recreation and art.

Program Dates

Adventure Club school year programming opens on the first day of school and ends on the last day of school as set by the Robbinsdale district calendar for the year.

School Release Days

Adventure Club offers care for students on many days when school is not in session. These days are separate from your regular schedule and registration is available online after the first day of school. Adventure Club is open from 6:30 am - 6:00 pm on these days.

The high quality full-day programming on these days often includes fieldtrips, special cooking or art projects, or on-site programs.

Registration

Our online system makes it simple to manage your schedule, pay your bill and sign up for school release days! Register at rdale.ce.eleyo.com
